

# DE EENZAAMHEID VAN DE PRIEMGETALLEN

De zevenjarige Alice moet van haar vader elke dag tegen haar zin naar skiles. Op een mistige ochtend zondert zij zich af van haar skiklasje en besluit ze de afdaling alleen te maken, maar ze komt ten val en raakt voor de rest van haar leven verlamd aan een been. Mattia is...

## Peek Inside the Book

In fact, they didn't talk much at all, but they spent time together, each in his own abyss, held safe and tight by the other's silence. Paolo Giordano, The Solitude of Prime Numbers //

## Reader's Opinions

Warning: This review gets a bit 'geeky'. Prime numbers are not defined in terms of other numbers; other numbers are defined by their prime factors. Primes greater than three are separated by at least one non-prime, paired primes by only one. Paired primes become less frequent as numbers get larger. That is the mathematical truth behind...

Io non ce lho con Paolo Giordano perch ha scritto un libro mediocre ed applauditissimo (probabilmente) per lo stesso motivo. Non ce lho neppure con lignoranza del mio Paese che, in termini culturali, credo stia messo su per gi come un trenta per cento degli abitanti delle favelas brasiliane (il restante settanta per cento, in loco,...
